Dear Artist,

**Ann Dumbell, Events Director**

I am writing to inform you that Ann Dumbell has regrettably resigned as Events Director.

The reason behind this decision is a change in her commitments outside of the organisation.

I would like to thank Ann for the advance notification she has given us which will not only enable us to secure a replacement in good time, but also enable a smooth handover/transition period to occur.

Ann will be departing Arts2Life at the end of the month.

*Yours sincerely,*
